An inexpensive device that belongs in your tool box.
Code: SJ-50

QUICK ENTRY TOOLS

SNAP GUN LOCK PICKS - £56.29 (V.A.T included)

The snap gun was developed decades ago to allow police officers who were not skilled in the art of lock picking to open locks with minimal instruction. Rather than opening locks by the traditional raking techniques, a snap gun uses a primary law of physics, the transfer of energy, to compromise locks. Comes with picking needles, tension tool and instructions. Part Number - LAT-17

E100C ELECTRIC PICK (3VOLT) - £134.49 (V.A.T included)

The Electric Lock Picks feature aluminium and hard steel construction. Unlike other electrics, the E-Series Picks are powered by conventional Ni-Cad or Alkaline "C" cell batteries, so you never need worry about replacing expensive battery packs or throwing the tool away when it will no longer take a charge. Includes four picking needles, three tension tools, and two adjustment wrenches.

PADLOCK SHIM SET - £25.24 (V.A.T included)

An easy way to open many padlocks is to utilize Padlock Shims. Made of very thin spring steel, they come in several sizes to fit the contour of the hasp of the lock. Just push one down between the hasp and the body of the lock and twist to disengage the locking mechanism. Set consists of 20 shims. Part Number - SPS-20

BUMP KEYS – From £9.76 (V.A.T included)

5 pin Union, 5 pin Yale, 5 pin Era, 6 pin Era – All £9.76 Each

Chubb Bump Key - £11.25

PICKBUSTER – Treats 200 locks - £65.31 (VAT inc.)

Pickbuster liquid is a revolutionary new solution that can prevent lock bumping and give you bump key resistant locks without having to buy new cylinders. It is endorsed by the Institute of Certified Locksmiths as a positive enhancement to home security which should be used in conjunction with other protection products and methods.
